PASS BOOKS OF THE FOREST OFFICERS.

*To—The Deputy and Assistant Conservators of Forests in charge of Ranges, and District Treasury Officers,
Circular No. 1156, dated 5th September 1874.*

The Deputy Accountant General has the honor to intimate having despatched by Anche to the address of the Forest Officers in charge of Ranges, and the District Treasury Officers, a Pass Book for entering on the one hand credit-orders granted by this Office in favor of Forest Officers, and on the other the cheques paid against them at the Treasury. The Pass Books should open with the balance of credit-orders remaining unpaid on 1st September current.

2. The Forest Officer's copy of the Pass Book should be sent to the District Treasury immediately after the close of each month, and the District Treasury Officer will be good enough to compare it with the Treasury Pass Book and to verify the entries with his initials, noting any discrepancies.

3. The Pass Book provides one column for the District Treasury and four for Taluk Treasuries for the purpose of shewing the amount of credit allotted to each and the payments made against the respective allotments, in order to indicate the balance of credit available at each Treasury from time to time. If funds be distributed among more than four taluks, it will be necessary to enter the additional allotments and corresponding payments in the next page of the form.

4. District Treasury Officers will be careful to verify the figures in the column "Daily Total posted to Cash Book" with their initials, after seeing that they are duly entered in the daily cash book.
